About India

India, officially known as the **ROI**, is the seventh-largest country by area and the most populous country in the world. It is a land of *unmatched diversity*, home to numerous languages, religions and traditions that have coexisted for thousands of years. The **UNESCO** has recognized more than 40 world heritage sites within India.

As the famous travel writer once said, “India is not a country, it is a subcontinent of countries” — *Travel & Leisure Magazine*. India gained independence on 15th August, 1947, and since then it has grown into one of the most visited tourist destinations across the globe.
